iOS-Developer

19 years

Minsk

Ready for business trips

ABOUT ME

Motivated on self education, on learning new technologies and on conquest a new heights

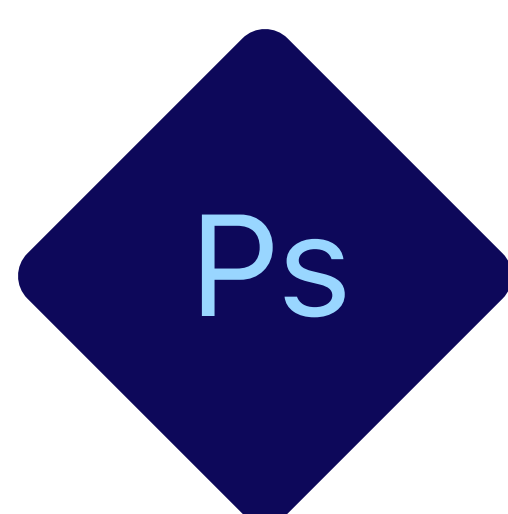

SKILLS

Objective-C

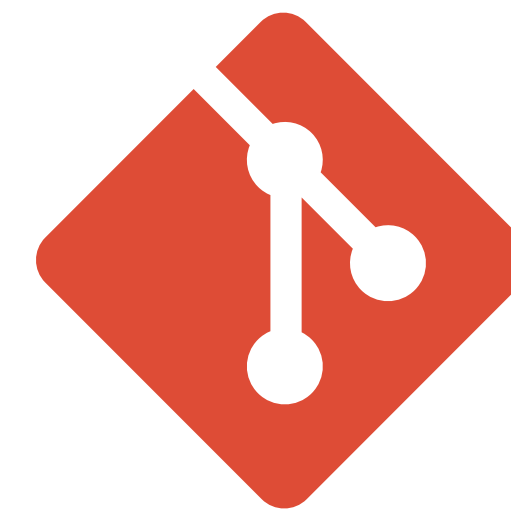

Sketch

Photoshop

Swift

git

Key skills

Core Data

CocoaPods

Autolayout

SQLite

OOP

UIKit

Storyboard

AFNetworking

Alamofire

Foundation

Design Patterns

GCD

HTTP

XML

Memory management

IDE

Xcode

Zeplin

SDK's

Facebook

VK

Crashlytics

Appodeal

FireBase

Other

Human Interface Guidelines

Test Flight

Task accounting systems

Trello

Atlassian JIRA

Teamwork

FOREIGN LANGUAGES

English @ Upper-Intermediate

- Able to pass interview
- Centralized testing : 87 out of 100

EXPERIENCE

Alcotester - calculator for drivers @ Freelance

Sept 2016 - Dec 2016

- Path from first VC to the App Store
- Fully designed in Sketch
